

PARKING AND DRIVING DIRECTIONS

Driving from the south, enter the Presidio through the 14th Avenue gate. At the stop sign, turn left onto Wedemeyer. You will pass one more stop sign, and continue up the hill, bending to the right.

P You will see a parking lot to your left, where you can pay for official parking. To the right is a horseshoe entrance to 1818 Wedemeyer. There are a few, limited parking spots in the loop around the school.

On GPS, Wedemeyer is also known as Battery Caufield Rd.
This part of the Presidio is called the Health Services District.

P If you enter the Presidio from the North or East, you may also find parking on your right before you arrive at 1818 Wedemeyer, outside the apartment building on the street, a block away on your right, as you walk downhill to the school.
